

The 7 respeggt rules

Requirements for packing centres

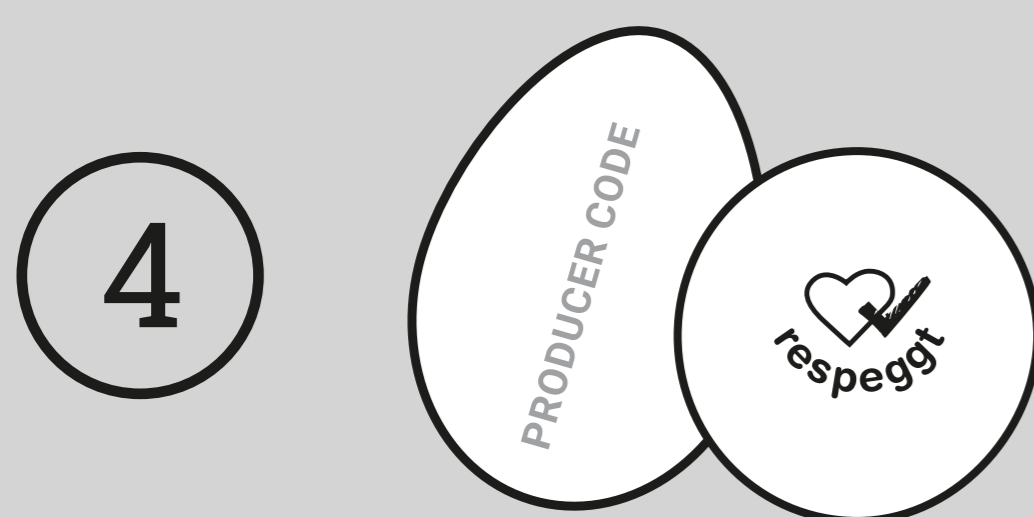

- 1 All employees must know and follow the respeggt rules for the handling of respeggt eggs.

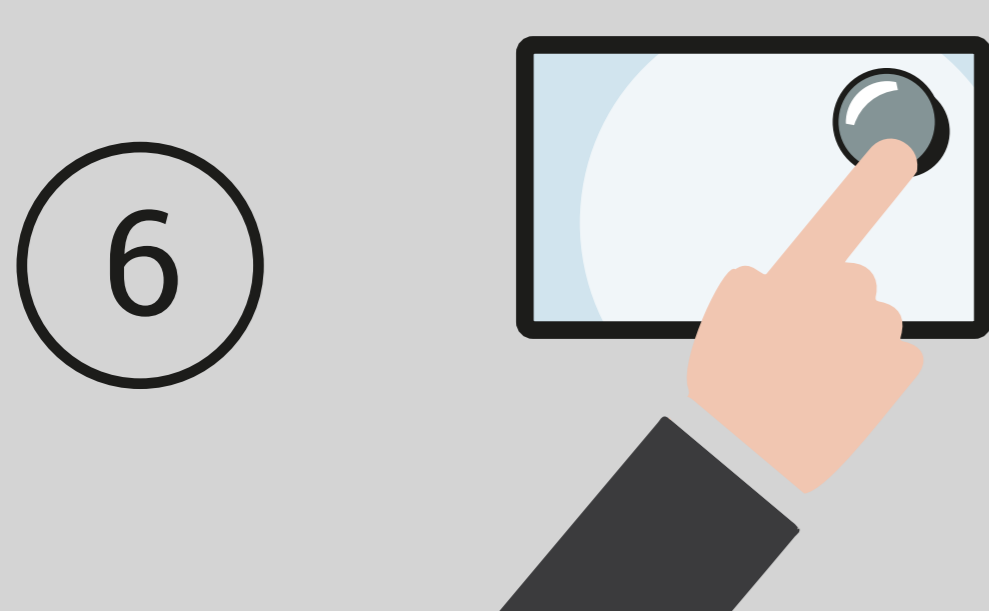

The respeggt eggs must always be collected, internally transported, sorted, packed on trays and palletised **separately** from conventional eggs.

- 3 All relevant documentation, such as delivery notes, transport documents and invoices, must always be marked with the reference **respeggt FoCC** (Free of Chick Culling) or with the respeggt document stamp.

Only respeggt eggs may be marked with the round respeggt stamp before the egg packs are closed. This stamp must always be printed **onto the head side** of the respeggt eggs.

- 5 The respeggt stamp must always be printed correctly and **legibly** onto the eggs. An overlapping of the stamp with the producer code is not permitted. The respeggt printer must always be professionally **serviced and maintained**.

The packing centre must inform respeggt group upon the **removal of each respeggt flock** by sending an email to data@respeggt-group.com.

- 7 Employees of **respeggt group** may visit the packing centre at any time.
