

# The 7 respeggt rules

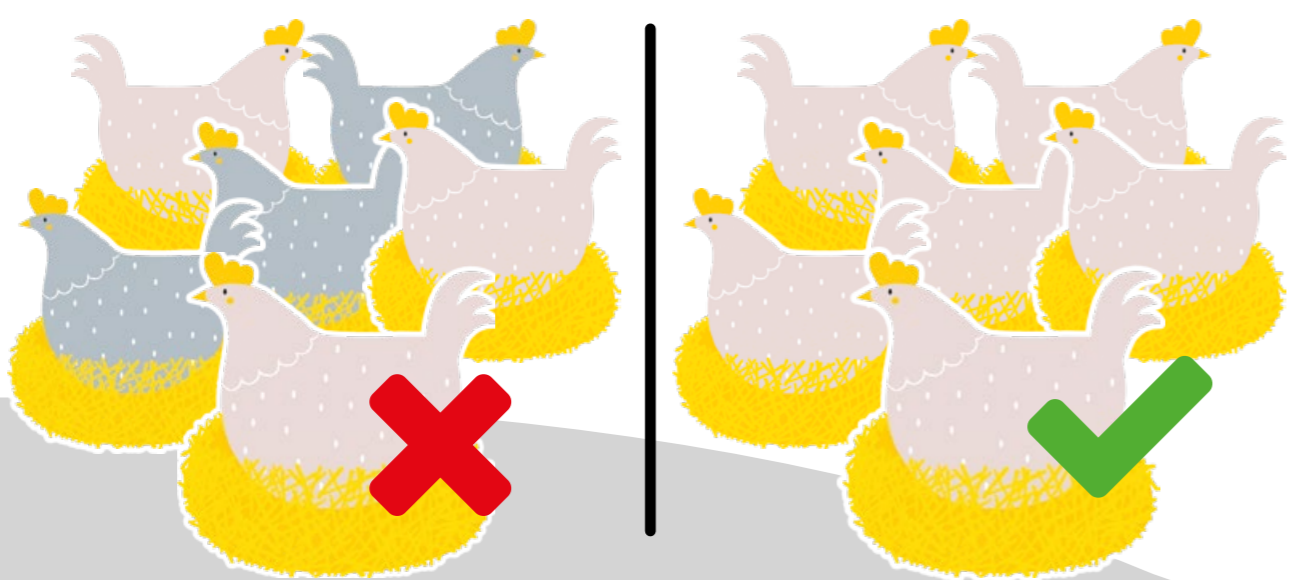

Requirements for respeggt laying hen farms

1 All employees must know and follow the respeggt rules for rearing respeggt hens.

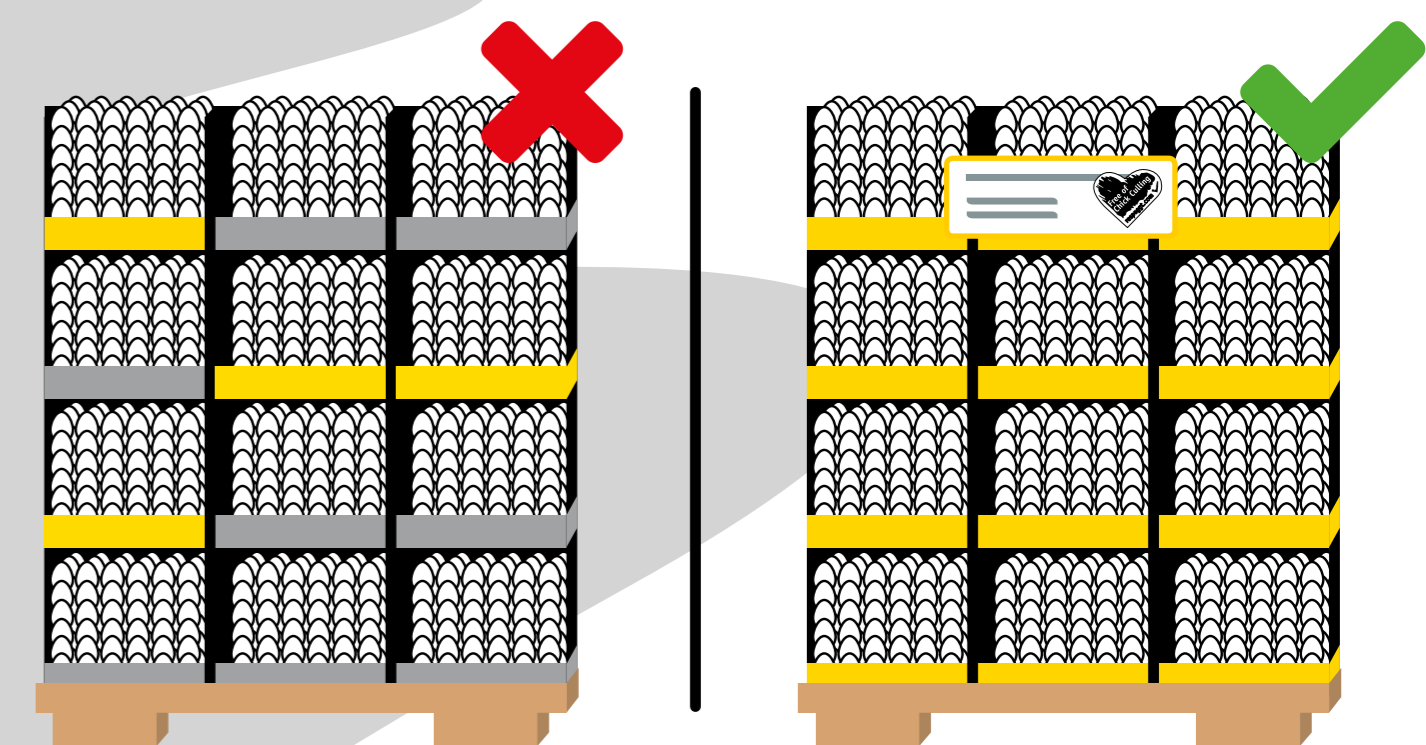

2 The respeggt laying hens must **never** be mixed with conventional hens.

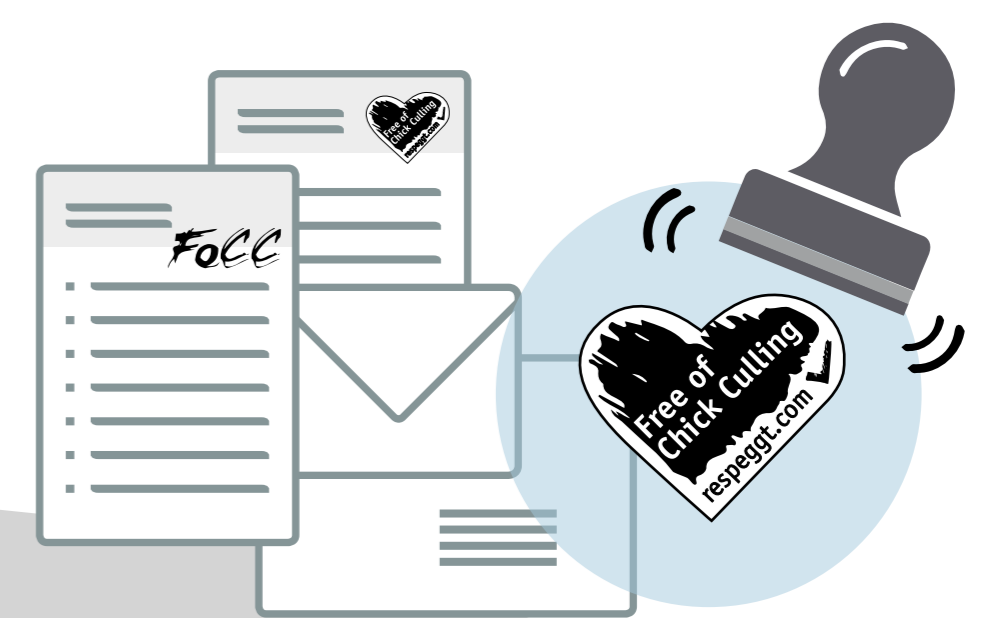

3 The **respeggt flock passport** must be hung up in a **clearly visible place** on the respeggt chicks' housing entrance door.

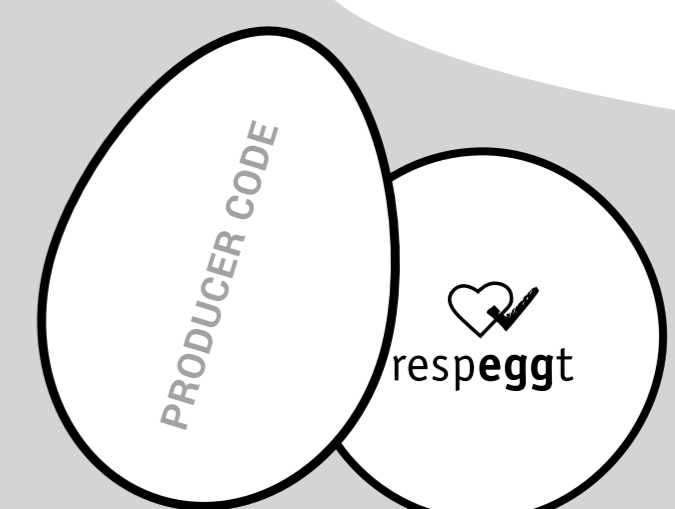

4 The clutches of the respeggt laying hens must always be collected **separately** from conventional eggs. They must then separately from conventional eggs be transported and sorted internally, and packed on trays which are then to be placed on pallets.

5 The relevant documents such as delivery notes, transport documents and invoices must always be marked with **FoCC** (Free of Chick Culling) or the FoCC document stamp.

6 The **producer code** is stamped onto the **belly side** of the eggs as the respeggt stamp is placed on the head side of the eggs at the packing centre.

7 Employees of **respeggt GmbH** are always welcome.
